The transfer of copyright gives Current SciDirect Publications the right to develop, promote, distribute, sell, and archive a body of scientific works in Canada and throughout the world. The Author hereby grants and assigns to currentscidirect.com all rights in and to Author's work in and contributions to the Work. In connection with this assignment, the Author acknowledges that Current SciDirect Publications will have the right to print, publish, create derivative works, and sell the Work throughout the world, all rights in and to all revisions or versions or subsequent editions of the Work in all languages and media throughout the world and shall be the sole owner of the copyright in the Work throughout the world.

I warrant and represent that the Work does not violate any proprietary or personal rights of others (including, without limitation, any copyrights or privacy rights); that the Work is factually accurate and contains no matter libellous or otherwise unlawful; that I have substantially participated in the creation of the Work and that it represents my original work sufficient for me to claim authorship.

I further warrant and represent that I have no financial interest in the subject matter of the Work or any affiliation with an organization or entity with a financial interest in the subject matter of the Work, other than as previously disclosed to Current SciDirect Publications.

I have the consent of each author to transfer and assign any and all right, title, and interest, including copyright of the article referenced above.

I hereby assign and transfer to the Current SciDirect Publications copyright and all rights under it.

I further confirm that this article has not been published elsewhere, nor is it under consideration by any other publisher.
